who

25-year veteran of Argentina's indie scene.

Apprentice of **Zeta Bosio** (Soda Stereo) at Alerta Discos; productions signed to EMI (Azafata). In 2011 his band POLEN Electro Rock toured the UK — Kendal Calling, Secret Garden Party, 93 Feet East (Brick Lane).

SuperDry licensed his music for a 2019 summer campaign; he moved to London that year. Talky Walky was born in lockdown — a poncho, an MPC, songs that wouldn't quit. **One-person show, bookable now.**
